Bringing Stories to Life; From Inception to Creation
Brandon@Samsara-Studios.com | 970-708-8175

A producer, director, cinematographer, and, above all, a storyteller; Brandon has been creating in the industry for 5+ years and has been telling stories with a camera since age nine. Through his production company, Samsara Studios, he has led teams of up to 30 on projects. He has found unique ways to actualize, not only his own vision, but the vision of others by elevating their product and brand through film. Below is a handful of his latest projects.
