👤 PROFILE

Award-Winning Writer and Director with over 10 years experience in the industry working both on independent productions and for hire on studio and company projects.

My films and stories have garnered international recognition and are known for their "...surreal, captivating visual aesthetic...unique sonic atmosphere...and writing that is sometimes strange and ambiguous yet often times emotional, meaningful and honest..."

📁 EMPLOYMENT HISTORY

Writer | Director | Producer, Los Angeles, CA

Present

- Experience in Feature Films, Short Films, Music Videos, Stop Motion Animation, Television Series, Digital Content, Commercials and more.
- Extensive knowledge in all areas of production, allowing for an involved position overseeing the departments carefully to insure the quality and detail of each project.
- Established production companies and handled both company and project investments with varying budgets for numerous projects in the United States, Europe and Asia.

Writer and Director at Marigold Pictures, West Hollywood, CA

August 2017 — February 2020

- Successfully pitched film to investor and acquired financing of more than double original production budget.
- Directed large cast and crew of 40+ to accomplish precise, complex sequences with VFX and technical camerawork across multiple locations, while adhering to the strict shooting schedule and remaining under budget.
- Handled scheduling of worldwide film festival submission process and acquired distribution with Amazon Prime Video.

Series Creator at Adaptive Studios / HBO, Culver City, CA

August 2017 — August 2019

- Drafted Season 1 scripts, treatment and comprehensive Series Bible for original series.
- Negotiated budget, marketing concept art and digital distribution strategies with Studio Development Executives and high profile company partners including HBO, Netflix, Lionsgate and more, forming a strong working relationship for potential future projects.
- Maintained creative direction and continuity of series. Overseeing rewrites, casting, hiring crew, and collaborating closely with producers and production team during meetings.

○ **Screenwriter at Vesuvio Entertainment, Los Angeles, CA**

June 2014 — September 2015

- Pitched Original Spec Screenplay to production company and secured option deal. Began edits, rewrites and polishing.
 - Analyzed script with industry professionals such as Emmy Award winning Director of Photography to establish the unique look and aesthetic of the film.
 - Had discussions with Foreign Distribution Companies, acquiring feedback and story notes to implement necessary changes for international market consideration.
-
