EXPERIENCE

Glendale Community College -Glendale, AZ 01/2019 - 01/2022
Film Director Stephanie Lucas
Film Production Assistant

Showcase strong ability to work independently and within a team environment, Display a strong work ethic by exhibiting organization, dependability, & attentiveness to detail. Collaborated, planned and budgeted a film shoot for a required school project. Edited class projects using Adobe Premiere program. Wrote & analyzed scripts on short films for student school projects. Distributed correspondence for actors, film crews and set up schedules. Have experience with film pre-production, production and post- production. Secured locations for film projects and was a casting director for different student short films for two years. Also provided clerical assistance on various production teams and delivered messages to various crew members and actors. Printed and distributed daily call sheets and scripts and worked with producers and directors to create various short films. Have experience assisting the casting director for student short films.

Jewel of the Desert Documentary 02/23/23
Producer Mary Apick
Talent Production assistant

On this documentary worked as talent production assistant and helped musicians carry instruments and guide them to their fitting rooms. Also helped set up chairs and tables for catering services and would clean up catering area. Would help out with any questions musicians had. Catered to the musicians and take them water if needed and worked as a team to get things done on set.

Camping World Cougar Commercial 02/27/23 to 03/01/23
Director/Producer Chad Cork
Production Assistant

Worked on a commercial for Camping World and made runs for craft services and drove Uhaul to pick up and drop off equipment and prop supplies. Also used my vehicle to make runs for equipment and running errands. Helped ship bins of supplies through Fedex for the production and set up/clean up sets in Cougar RV.
