Professional Summary

Current film student with past student experience under multiple kinds of projects including: short films, new media creation, and local news under NAZ Today. I have gained introductory experience in multiple departments during this time such as: camera operation, audio, writing, production, and editing.

I have not worked on an official set outside of a school project but am a hardworker and eager to get into the industry. I have had experience in film production and behind the scenes through these projects and was a camera operator for local news for 3 months among this experience. I am PA certified and willing to do any type of set orientated PA work.
