

## **STEFANO MILLA**

Director - Editor - Cinematographer

Multi awarded director, editor and cinematographer, his passion for visual storytelling led him to explore every aspect of film and video production and his works are now worldwide distributed by majors like **Sony Pictures, Lionsgate, Studio Canal** and streaming platforms like **Netflix** and **Hulu**.

His experience lasts more than 30 years and goes from corporate productions with major brands to the entertainment industry. He worked as creative editor on world sport events produced by **Discovery Channel** from 2008 to 2022.

Directing, shooting and editing several of his own works led him to learn and adapt to multiple crew roles, pushing him to well understand the production process and to respect deadlines and budget and working on different projects from Universal Studios' backlot to Hollywood Capitol Records.

He never quit to pursue his own projects, directing and editing more than a dozen of feature films
