## PROFESSIONAL SUMMARY AND OBJECTIVE

As a loyal, dependable, efficient professional, I take great pride in my work ethic. I thrive in a fast paced working environment utilizing my organizational and interpersonal skills. I value a strong team that works together for the benefit of others and that has a drive to achieve goals. I am highly skilled Photographer driven to fulfill planned concept or desired result of each photographic project. I manage well with obstacles and remain true to the creative goals. I am seeking a position with an organization and or company that will benefit from my skills and knowledge, and partner with me in growing my career.
