EXPERIENCE

Pima County Public Library, Eckstrom-Columbus Library — Page

August 2018 - May 2019

The High School I attended had a work study program and I was fortunate enough to be assigned a weekly full day job to Eckstrom-Columbus Library. Where I learned the basics of Office and customer service tasks in a Library.

Pima College Student Short Film, — *Set Production Assistant*

August 2021 - November 2023

I volunteered and assisted in several student-led projects by on set dress up, cataloging props and costumes, transporting props, camera equipment to and from locations. All while remaining a good attitude and keeping up with the fast pace of low to micro budget projects.

EDUCATION

Arizona Film Initiative, AZ

January 2024

Arizona Film Office put together a week long seminar of training to certify and train me as a Production Assistant.

Learned from professionals currently working in the industry to teach set etiquette and the basics of film/commercial work.
