SKILLS

Photography, Lighting, Digital Asset Management, Data Wrangling, OBS

RECENT PROJECTS

TenWest Fest, Start-Up Tucson, Tucson Convention Center

- *Video Tech Main Board Operator, Presentation Manager, Tech Consultant*

2023

- Communicated directly with presenters to ascertain show needs & documents: i.e XML,PPT,A/V etc.
- Converted &/or Verified Compatibility for proper A/V output
- Organized & shared sensitive documents to be deployed by my team in multiple A/V breakout rooms
- Operated OBS (Open Broadcast Studio) for Live Presentation for Main Stage
- Designed & Ran Visual/Audio Cues for Live Presentations
- Distributed final deliverables for future use

Chinese Chorizo Project, Museum Of Contemporary Art - *Curator, Photographer*

2023

- I dressed a table to hold a golden platter of chorizo, french fries, cherries, whipped cream in a delicate glass; an ashtray, along with cigarettes/cigars. I directed each guest to play with any or all of the items available while I photographed their interactions.

MOCA 25th Anniversary, Tucson, AZ - *Curator, Photographer*

2022

- Curated a collection of photos into an endless art collage containing both digital & film portraits; along with personal Bios for 150+ guests in celebration of MOCAs 25th Anniversary
