Objective

Professional actor and motion picture producer with outstanding leadership and customer service skills - ambitious, punctual, self-motivated, poised under pressure, a natural leader with an impeccable work ethic and attention to detail. Has a warm and professional conversational approach with actors, production staff, clientele and co-workers. Authorized to work in the United States for any employer.

Experience

Falling Flame Pictures, LLC. | fallingflamepictures.com

February 2017 - Present

Founder and Chief Executive Officer - Glendale, AZ.

Providing leadership and exacting standards for film production, producing, and acting, ensuring that Falling Flame Pictures creates superbly directed, entertaining independent films that are artistic and commercially viable.

Freelance Professional Writer

January 2017 - Present

Glendale, AZ.

I am a professional freelance writer who works primarily in the entertainment industry writing screenplays, stories, marketing materials and website content. I am always open to new and exciting writing projects and opportunities.

Entertainment Industry

June 2007 - Present

Actor/Producer/Writer - Phoenix, AZ.

Providing high quality performances as characters both fictional and real for films, television shows, commercials and role-play scenarios. Acquire and develop film scripts and acquire funds to produce film projects at the highest quality level possible. Hire and oversee all cast and production staff. Ensure allocated funds and work schedules are being utilized productively during all film productions. Provide the highest quality acting and producing to ensure each finished product is entertaining and commercially viable.
