WORK & LEADERSHIP EXPERIENCE

Arizona Student Unions // Einstein Bros. Bagels

Tucson, AZ

Student Team Lead

August 2020 – Present

- Train and foster growth in a 30-person crew through teambuilding exercises, routine work, and building a sense of community through communication and activities outside of the workplace.
- Achieve high customer satisfaction through our company's food service, delivery, and quality for over 1,000 customers daily. Currently entrusted with interviewing new potential hires.
- In 2023, Einstein's Corporate visited our location, and out of 238 Einstein chains, our chain ranked #1 in sales and #10 in the nation for sales.

University of Arizona // School of Theatre, Film & Television

Tucson, AZ

Lead Ambassador

September 2021 – May 2024

- Represented the school in a dignified, professional manner at several screenings of student films, educating viewers on the program at large.
- Worked closely with university staff and faculty to organize calendars, equipment, and events.
- Coordinated several teams of students at the *I Dream in Widescreen* senior film screening event, bringing necessary supplies and training student volunteers with essential information for guests to know for the past four years.

UAZ Wildcat Hockey Media Team

Tucson, AZ

Broadcast Director

September 2023 – April 2024

- Worked with a team of fellow interns to develop content for the social media accounts associated with the hockey team.
- Conducted a multi-camera broadcasting of the live hockey games to the official UAZ Hockey YouTube Channel, along with mixing audio for the arena, PA system, and commentators.

Ackerley Advertising

Tucson, AZ

Videographer

October 2020 – January 2021

- Operated a Sony film camera, recorded several performances by the Tucson Arizona Boys' Chorus
- Quickly, efficiently, and safely set up and deconstructed lights and cameras on six different sets in less than an hour
- Consulted on several aspects of the process for perspective and technique, including graphic design of logos, release of the video to YouTube, and discussions with the client on the project.
