BIO

A modern, hybrid style composer, I specialize in creating fresh, current scores for independent films and games. With a catalog of over 17 albums and a variety of singles, I draw from my nearly 30 years on stage as a performing artist to create powerful, dynamic, and audience engaging musical content to perfectly match the moment in your media. From hybrid orchestral to rock to minimal classical to pop to folk, I likely possess the skill to craft your ideal score for your production.
