Film Professional

petersrin@gmail.com • 386-299-1406 • <https://idyllsounds.com>

Professional Summary

Creative and versatile film production specialist with a robust portfolio spanning sound design, video editing, visual effects, and compositing. Adept at transforming creative visions into polished, broadcast-quality content—from independent short films and viral web series to feature film projects and digital commercials. Recognized for award-winning sound design and a keen ability to integrate technical expertise with collaborative, artistic storytelling.

Experience

Idyll Sounds, *Owner*

Provided comprehensive production services including sound design, video editing, color grading, graphic design, and web design for feature films, short films, web series, training videos, advertisements, and video games.

Random Encounters, *Creator*

Developed and managed content for a YouTube channel, handling video and music production, editing, and channel analytics to engage a diverse online audience.

Project Portfolio

Five Nights at Freddy's The Musical: Short film series amassing over 150 million views.

Monday Morning (2012): Feature Film with theatrical release.
