SUMMARY

Dynamic and results-driven independent film and multimedia production professional with 2 years of hands-on experience across various aspects of film and broadcast production. Skilled at managing multiple projects from concept through post-production, ensuring high-quality content delivery on tight deadlines. Proven ability to thrive in fast-paced, collaborative environments and take on diverse roles to meet evolving production needs. Passionate about using innovative storytelling and technical expertise to drive impactful media experiences. Eager to bring my skills in film production, writing, directing, production management, and digital storytelling to a forward-thinking team.

EXPERIENCE

Summer Intern

August 2024 – December 2024

City of Phoenix - Phoenix, AZ

Heat Mitigation and Response Office

- Produced promotional video content using Adobe Premiere Pro, boosting visibility and outreach for the office's mission.
- Shadowed video production teams for various Arizona-based companies, gaining valuable insights into diverse production styles and workflows.
- Assisted with logistics in the company's warehouse, supporting team operations and enhancing overall efficiency.

Television Production team member

June 2022 – August 2023

Arizona State University - Walter Cronkite School of Journalism - Phoenix, AZ

Public Broadcast Station (PBS)

- Played a key role in the production of daily live and recorded television programs, including Arizona Horizon, PBS Newshour, Check Please! and Playlist 48.
- Operated advanced broadcasting systems, including three HDC 4K Sony studio cameras, ensuring flawless camera work during live debates and shows.
- Proficiently managed teleprompter setups, sound mixing, and graphics to enhance production quality.

Youth Counselor

June 2018 – August 2019

Mentor Kids USA - Phoenix, AZ

Camp at Brooks Academy in South Phoenix

- Mentored and supervised children in Kindergarten through first grade, fostering a supportive and educational environment.
- Managed daily activities, including lunch/snack distribution and playground supervision, ensuring safety and engagement.
- Contributed to the educational growth of campers by assisting with math, writing, and phonics, providing individualized attention to help develop key skills.

FILM PROJECT EXPERIENCE

Film Production Assistant

December 2024

“String Theory” - Student film production

- Assisted student director in coordinating set operations and ensuring smooth production flow.
- Streamlined communication between departments, minimizing disruptions and ensuring efficiency.
- Played a key role in maintaining continuity and supporting the director’s vision for pivotal scenes.

Film Production Assistant & Movie Extra

November 2024

“Junior” - Student film production

- Collaborated with the set team to support seamless production operations for student film.
- Ensured continuity in scenes and assisted with logistical tasks.
- Participated as an extra in a pivotal scene, further contributing to the film’s success.

Film Script Supervisor

November 2022

Student Capstone Film Project

- Maintained script continuity by tracking scene details, dialogue accuracy, and actor movements.
- Logged detailed notes on takes, timing, and line changes to streamline post-production efficiency.
- Assisted in shot sequences and scene transitions to maintain visual and narrative cohesion.

TECHNICAL SKILLS

- Proficient in Adobe Premiere Pro, Final Cut Pro, Avid Media Composer and Microsoft office suite
- Experienced in multi-camera production, sound mixing, and live broadcast operations
- Strong organizational skills for project management and production coordination
- Ability to adapt quickly while working in collaborative environments and managing multiple projects
- Experience using Microsoft Office, including Word, Excel, PowerPoint and Outlook
