

Timothy O'Brian

Red Cinema Camera Owner & Operator : V-Raptor XE 8K VV

Phoenix, AZ 85051 | +1 714 614 3636 | timohybridshooter@gmail.com

Professional Summary

I am a professional Super 8 Film / Digital Hybrid shooter that specializes in capturing both stunning images and cinematic video.

With a keen eye for detail and a passion for storytelling, I like to think that I bring a unique perspective to every project.

WIP Horror Short Film for my Cinematography Reel. Just a little WIP preview of the footage I cut for the main cast. Just minimal edit of the intro scene.

Work Experience

Independent Filmmaker

Somewhat Damaged Films | Phoenix, AZ

March 2026 to Present

Shattered narratives. Raw audio. Digital grit. Somewhat Damaged Films is a cinematography-first studio, crafting experimental narrative films for a new wave of underground cinema.

Our camera department craft premium cinematic content utilizing RED cinema cameras to deliver unmatched 8K resolution and dynamic range. By leveraging proprietary REDCODE RAW & DaVinci Resolve workflows, we are able to provide unparalleled color grading freedom and image precision.

Filmmaker Tim O'Brian's mission statement is simple, we want to bring feature-film quality to every pixel, ensuring your project looks stunning from production to post, no matter the budget

Website and Socials coming soon!

Social Media Coordinator / Content Creator

Tim O'Brian Film Photo Video LLC | Phoenix, AZ

August 2022 to Present

I specialize in developing and producing engaging content for various platforms, including websites, blogs, social media, and more, to connect with target audiences and promote a brand or entity

- **Content Creation:**

Developing various content formats (text, video, audio, images) for different platforms.

- **Content Strategy:**

Planning and executing content strategies aligned with marketing goals and brand objectives.

- **SEO Optimization:**

Implementing SEO best practices to improve content visibility and reach.

- **Content Calendar Management:**

Developing and maintaining a content calendar to schedule content releases.

- **Brand Consistency:**

Ensuring all content adheres to the brand's voice, tone, and style.

- **Performance Analysis:**

Monitoring content performance and making adjustments to optimize results.

- **Collaboration:**

Working with marketing teams, designers, and other stakeholders.

- **Research:**

Staying informed about industry trends, audience preferences, and competitor content.

- **Content Distribution:**

Managing content distribution across different platforms.

- **Adaptability:**

Being flexible and open to experimenting with new content formats and platforms.

Videographer

Tim O'Brian Film Photo Video LLC | Phoenix, AZ

August 2022 to Present

I specialize in filming, editing, and producing videos for various purposes.

- **Planning and Preparation:**

Collaborating with clients and creative teams to understand project requirements, developing shooting scripts or storyboards, and planning logistics for video shoots.

- **Filming:**

Operating video cameras, setting up lighting and sound equipment, and capturing high-quality footage on location or in a studio.

- **Post-Production:**

Editing video footage, adding graphics and special effects, color correction, and sound mixing to create a polished final product.

- **Equipment Management:**

Maintaining and caring for video equipment, ensuring it is in good working order, and managing inventory.

- **Communication and Collaboration:**

Working closely with clients, creative teams, and other stakeholders to ensure the project meets their needs and expectations.

- **Technical Skills:**

Proficient in video editing software (e.g., Adobe Premiere Pro, Final Cut Pro), understanding camera settings and techniques, and staying up-to-date with industry trends.

Photographer

Tim O'Brian Film Photo Video LLC | Phoenix, AZ

August 2022 to Present

I specialize in capturing images, enhancing them through editing, and managing the entire photographic process from initial concept to final product

- **Planning and Preparation:**

Discussing project requirements with clients, developing concepts, scouting locations, and arranging props and lighting.

- **Capturing Images:**

Operating cameras and other photographic equipment, using various techniques to achieve desired results, and directing subjects during photoshoots.

- **Image Editing and Enhancement:**

Using photo editing software to adjust color, contrast, sharpness, and other aspects of the images to meet the client's needs.

- **Equipment Maintenance:**

Ensuring that all photographic equipment is in good working order and properly stored.

- **Archiving and Management:**

Organizing and maintaining a digital archive of photographic images for future reference and retrieval.
